STAT

Please accept my apologies for not answering your latest inquiries about your request on [redacted] until now, but I had hoped to be able to release some items to you by this time. However, we have found another group of documents possibly pertaining to your request, and can release nothing until the security review of the latter file is completed. Unfortunately, I cannot give you a very good estimate either on how much longer this will take, but it will be a matter of months.

STAT

Again, my apologies for what must seem like inordinate delays to you. Despite the diversion of considerable resources to these requests, we are still laboring under a large-processing backlog. Thank you for your patience.

Sincerely,

*George W. Owens*
